**NOTICE OF PUBLIC COMMENT PERIOD AND OPPORTUNITY  
FOR A PUBLIC HEARING REGARDING AN APPLICATION TO MODIFY A  
PERMIT TO CONSTRUCT AND TIER I OPERATING PERMIT**

**PROPOSED ACTION:** In accordance with IDAPA 58.01.01.209.05.c, the Idaho Department of Environmental Quality (DEQ) announces a public comment period and opportunity for a public hearing for Ash Grove Cement Company, located in Inkom, Idaho, under docket No. AQ-0712. The project is for modifications to the kiln dust handling systems, and to increase the amount of kiln dust that can be stored on the plant site. The estimated emissions increase from this project is one ton per year of particulate matter. DEQ proposes to issue Permit to Construct (PTC) No. P-060325 and administratively amend Tier I operating permit No. T1-060305. PTC No. P-060325 modifies and replaces the kiln dust section of Tier II operating permit No. 005-00004.

**PUBLIC HEARING OPPORTUNITY:** Pursuant to Section 58.01.01.364, opportunity for a public hearing for interested persons to appear and submit written or oral comments may be provided if written requests are submitted to the undersigned on or before April 30, 2007. Hearing requests should include a brief statement explaining why a public hearing on the air quality aspects of the project would be beneficial.

The selected meeting site will be accessible to the physically disabled. Interpreters can be provided upon five days notice for persons with hearing impairments. For arrangements, contact the undersigned at (208) 373-0234. Braille or taped transcripts can be provided after the meeting for persons with visual impairments.
